## **Up Blues**

230 Nuez Ref. 21090

Semi-dense FR and upcycled fabric. Both its slightly rough texture and its marbled appearance, coming from its recycled polyesteryarns, give to this fabric a very natural look. Up-blues, a unique recycled fabric, is a great choice for both private and public spaces seeking for natural look and committed to sustainability. Equipo DRT "Upcycled Textiles" eco-friendly collection increases with this new design. Up-Blues is available in 3 colours: natur, beige and nuez.
