Ref. 21377

Intense and lush, 'Ego' boasts a fil coupé design pushed to the extreme, with an organic texture reminiscent of grass and large, printed, geometric motifs in blue, orange, and golden hues. Appropriate for curtains and other decorative elements such as lampshades, wall tapestries, and sofa cushions, 'Ego' stands out for its vibrant colors, rich texture, and sense of movement as a result of both its bas relief weave and flowing, colorful print.
