Saler Outdoor FR

989 Piedra
Ref. 21401

An asymmetrical geometry breathes life into 'Saler', the printed outdoor FR fabric designed by Mariscal for Equipo DRT. The design revolves around a series of pistachio and orange-colored rhombuses kept in balance by the serpentine waves that surround them, adding a whimsical touch to the composition. 'Saler' is a fabric that can be used for indoor and outdoor upholstery, as well as for cushions and curtains, to lend a touch of originality to any setting.
