Charlotte Blackout FR

989 Piedra
Ref. 21435

A flame-retardant room darkening fabric with an elegant damask. For curtains in spaces that require the complete absence of light with a decorative touch. Charlotte Blackout is an opaque material that comes in a 290 cm width. It is perfect for hotels, rooms without shutters or blinds, or for spaces which require total darkness.

Composition

72% PC / 28% Pol.
