Harrison Blackout FR

993 Perla
Ref. 21437

A flame-retardant room darkening fabric with an elegant semi-worn texture. For curtains in spaces that require the complete absence of light with a decorative touch. Harrison Blackout is an opaque material that comes in a 290 cm width. It is perfect for hotels, rooms without shutters or blinds, or for spaces which require total darkness.

Composition

72% PC / 28% Pol.

Width

290 cm.
